NAME: **NOLA OIL TERMINAL, LLC**
c/o PROVIDENCE ENGINEERING & ENVIRON
1201 MAIN STREET
BATON ROUGE, LA 70802
Attn: Paul Clifton

LOCATION: **Plaquemines Parish, LA**
Section 10, T17S-R25E; Lat 29° 38' 04.26"N / Long -89° 56' 27.77"W, Myrtle Grove.

DESCRIPTION: Proposed installation of an oil terminal facility (NOLA Oil Terminal Facility). Approximately 6,724,500 cubic yards of topsoil/dirt and 254,400 cubic yards of crushed stone/gravel will be used as fill. Approximately 0.74 acres of wetland habitat may be impacted as a result of this proposed project.

NOTICE the Louisiana Department of Natural Resources, Office of Coastal Management (OCM) has been directed by Court Order to reopen the record for a period of public written comment to be considered in connection with Coastal Use Permit number P20130318.

Copies of the application and plats may be obtained upon payment of cost of copying. Written comments, including suggestions for modifications or objections to the proposed work and stating the reasons thereof, are being solicited from the public. Comments must be received within 25 days of the date of this document. Comments may be mailed, faxed or emailed to the designated OCM Reviewer. All comments must contain the appropriate application number and the commenter's full name and contact information.
